

Dear Kamaleo's Community member

As you may have noticed, on the North hemisphere, Spring has arrived and we have some news to share:

We have renewed ourselves! And we want to share with you the launch of our brand new **website** www.kamaleo.net.

Explore the site and learn more about change management and our services.

In addition, we'd like to share with you our last favorite Harvard Business Review article: **"The culture factor"**. Boris Groysberg, Jeremiah Lee, Jesse Price and J. Yo-Jud Cheng share an essential guide for those leaders who seek to discover their corporate culture and adjust it to the strategy. Enjoy it!

.....
This season our thoughts are around the concept of **intentionality**:
Instead of thinking about objectives, What is my intention for the next quarter?
.....

Something you would like to share with us? We'll be glad to hear you.

See you in our next edition. Our best wishes for the new season!
